

I can do
hard things

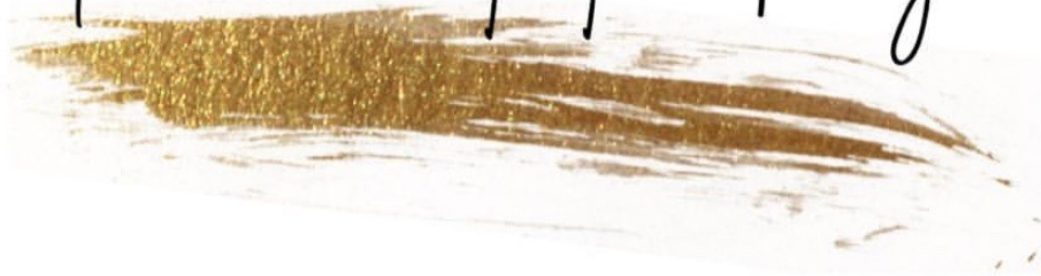

where I am weak,
God is strong

when I cannot stand
I'll talk on 'You

God made your
body perfectly - it
knows what it's doing

you will
hold your
baby soon

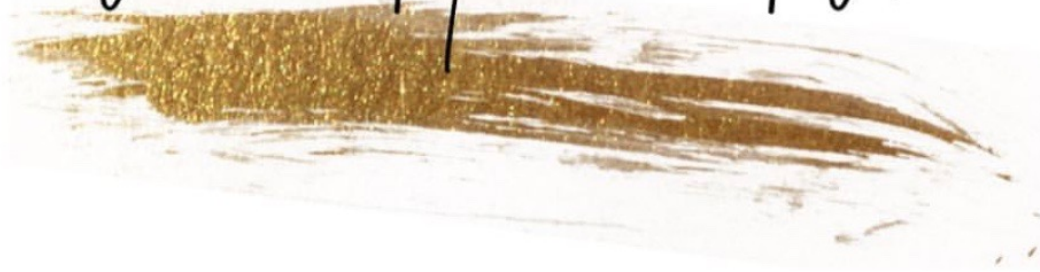

This is bringing
your baby
one step closer
to you

you can do
anything for
60 seconds

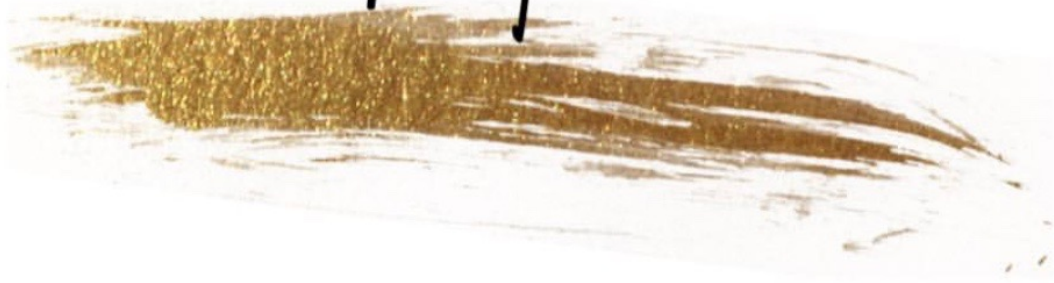

He is freedom, He is
healing right now
He is hope and joy,
Love and peace and life

You say I am
strong when I
feel weak I

your body was
literally made to
do this

I'm no longer a
slave to fear
I am a child
of God
